

and more than 800 national organizations have voiced opposition to these cuts.

Medicaid is not the problem. It has done a better job at holding down costs than private insurance by almost half. And Medicaid is absorbing the costs of care not covered by Medicare.

These reconciliation instructions will increase the number of uninsured, create job losses in the healthcare sector, and result in payment reductions to doctors and other healthcare providers who care for Medicaid patients. Such cuts will also undermine community health centers that depend so much on Medicaid to survive.

We must get our priorities straight. This budget resolution fails to do that. Two days ago, 348 Members said “no” to Medicaid cuts in a non-binding motion to instruct. I urge my colleagues to stick to their guns, and vote “no” on this budget resolution.

The SPEAKER pro tempore (Mr. LAHOOD). All time for debate has expired.

So (two-thirds having voted in favor thereof) the rules were suspended and the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FILNER. Mr. Speaker, on rollcall No. 150, on H.R. 210, I was in my Congressional District on official business. Had I been present, I would have voted "yea."

Mr. GUTIERREZ. Mr. Speaker, I was unavoidably absent from this Chamber today. I would like the record to show that, had I been present, I would have voted "yea" on rollcall vote No. 150.

## GENERAL LEAVE

Mr. NUSSLE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on House Concurrent Resolution 95, the conference report on the budget just passed.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Iowa?

There was no objection.

## MESSAGE FROM THE SENATE

A message from the Senate by Ms. Curtis, one of its clerks, announced that the Senate has passed a concurrent resolution of the following title in which the concurrence of the House is requested.

S. Con. Res. 29. Concurrent resolution providing for a conditional adjournment or recess of the Senate.

## LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOYER. Mr. Speaker, I rise for the purpose of inquiring of the deputy majority whip the schedule for the coming week.

Mr. CANTOR. Mr. Speaker, will the gentleman yield?

Mr. HOYER. I yield to the gentleman from Virginia.

Mr. CANTOR. Mr. Speaker, the House will convene on Tuesday at 2 p.m. for legislative business. We will consider several measures under suspension of the rules. A final list of those bills will be sent to Members' offices by the end of the week. Any votes called on those measures will be rolled until 6:30 p.m.

On Wednesday and Thursday, the House will convene at 10 a.m. for legislative business. We may consider additional legislation under suspension of the rules, as well as two bills under a

rule, H.R. 1185, the Federal Deposit Insurance Reform Act, and H.R. 366, the Vocational and Technical Education For the Future Act.

Mr. HOYER. Mr. Speaker, I thank the gentleman for the information.

Does the gentleman know which day we will consider the vocational education bill?

Mr. CANTOR. We plan to consider the vocational education bill on Wednesday, and the deposit insurance reform bill on Thursday.

Mr. HOYER. Can the gentleman tell me what type of rule is anticipated? Will it be open or modified open rules on these two bills?

Mr. CANTOR. Mr. Speaker, I would defer that decision to the Committee on Rules, but believe they will make a number of amendments in order on each bill.

Mr. HOYER. I thank the gentleman for that information.

I note, Mr. Deputy Whip, that the supplemental is not on the announcement, is apparently not on the calendar for next week. Obviously this is a very important bill. It is a very important bill to our country and our troops. We passed this bill some time ago. Can the gentleman tell us when that bill might be before us?

Mr. CANTOR. Mr. Speaker, I tell the gentleman from Maryland, the minority whip, that the conference committee has met a number of times this week and I believe they are narrowing in on agreement. The gentleman from California (Chairman LEWIS) has informed us that his goal is to reach an agreement with the Senate in time to file a conference report on Monday which would allow the House to consider it as early as Wednesday.

Mr. HOYER. Mr. Speaker, I thank the gentleman for that information. Before we conclude, I would like to ask a couple of questions. I understand the gentleman may not know the answers.

Our side, as you probably know, is very concerned about what transpired this week on the Child Interstate Abortion Notification Act. We are very concerned because three Members on our side offered amendments. Those amendments were pretty straightforward, subject to, obviously, an up-or-down vote. They were allowed by the Committee on Rules. But the report of the Committee on the Judiciary starkly mischaracterized those amendments. As the gentleman knows, a motion has been filed on those. A ruling was not made in order as to whether or not that filing will be in order Tuesday or the next day. We raised this issue at the time of the consideration of the bill. We raised it again, the gentleman from Michigan (Mr. CONYERS), the ranking member on the Committee on the Judiciary raised it.

Has the gentleman had an opportunity to discuss this, and does the gentleman know whether or not there is a possibility or probability that what we believe to be egregious language that was substituted for a
